THE W.R.D.A.A. (1987)

The Wild Rose Dance Arts Association (1987) was originally formed in September of 1982 and held its first annual competition in June of 1983. The Association was formed by a group of dance teachers who felt Calgary should have a forum for all students to perform and gain experience. There has been a steady growth in the Association and in the number of participants in the competition and winter scholarship auditions. We are proud of both of our events and the fact that we are 100% run by our members.

Did You Know?

The Wild Rose Dance Arts Association is a NON-PROFIT organization.

The WRDAA is comprised of dedicated dance teachers and studio owners who generously volunteer their time. Our association hosts various dance events throughout the year to support the education of young dance students in Calgary and the surrounding area. Our primary goal is to provide valuable educational opportunities to enhance our students' growth and development.

Through fostering connections within the dance community, we have proudly witnessed thousands of dancers participating in our events and benefiting from the enriching experiences provided by the WRDAA. As a non-profit society, we have awarded thousands of dollars in cash scholarships to dancers, assisting them in their training endeavors.

To sustain our efforts, we rely on the generosity of donations, as well as the dedication of our volunteers. If you wish to contribute and make a difference, please contact us to explore donation options and the specific programs they will support. Heather Simpson Memorial Award In Dance

Heather Simpson was a ballet teacher that had a love for dance, teaching and life. She believed in herself, which inspired her students to believe in their dreams and to be strong. Heather had endless energy that was contagious and allowed her to maintain a sense of humour while teaching, thus making the learning process fun. Heather managed to run a balanced dance class by being softhearted and tolerant while keeping discipline. Heather had such a love for all children that she was able to connect with each student and make them feel like her favourite. She took time with each child and related to them on their level. As a teacher she always went that extra mile for her dancers. Heather led a full life outside of dance as well, which allowed her to teach about life too. She taught children that there is more to life than just dance, but dance was a great step towards living a full life.

The recipient of this award must have a love for teaching similar to that of Heather's. The award must be used to further educate oneself as a dance teacher.

Tammy-Lynn Powers Memorial Tap Scholarship

Tammy-Lynn danced from the age of 3 to 16. In 1990 she tragically lost her life in a bus accident on route with her dance troupe "Artistique Performing Arts" to perform in Penticton, BC.

Tammy-Lynn lived to dance. She performed in tap, jazz, ballet and lyrical but she excelled in tap. Her love of dance took her to many venues: Young Canadians; the USA; 1988 Olympics; Stampede Youth Talent where her tap duet in 1990 placed 2nd and numerous dance competitions.

In 1991 the "Jaimie Hill & Tammy-Lynn Memorial Foundation" was formed and over the years with many volunteers over a million dollars was raised through fundraising. We are proud to say that as of July 1, 2016 we now have a permanent 300 seat stage named in memory of Jaimie & Tammy-Lynn at "The National Music Centre" (Studio Bell).

This tap scholarship is given out in memory of Tammy-Lynn to one who exemplifies the same dedication and love of dance.

Tammy-Lynn is forever missed. Love Mom & Dad; Daryl & Family; Corey & Family

Carol Nielsen Scholarship

Carol Nielsen was a founding member of the Wild Rose Dance Association in 1982 and served as President for one term. The WRDAA is an organization that Carol truly held close to her heart. She was a wonderful influence on the dance community of Calgary for many years as an extraordinary teacher, leader and friend. Carol had a special place in her heart for our annual competition, even taking on the daunting task of running the event. It was her dedication to the W.R.D.A.A and every participant, along with her exceptional attention to detail that made her an irreplaceable asset to our association. This season honour of Carol Nielsen a scholarship will be awarded to 1 eligible high score soloist aged 16 years or older in any discipline.
